Elizabeth Aguilera	Andrea Alexander	Donna Albert
Lisa Wilson	Nicole Diaz	Sarah Barnes
Katherine Speicher	Shannon Anderes	Sara Thede
Patricia Farquhar		

### **Minutes**

The meeting link was opened on Tuesday August 11th at 3:40pm. A Google Classroom code was sent via email to all site EL Coordinators, Principals, and Parent Representatives.

Participants were to watch a video presentation by Tammy Blakely on the Learning Continuity Plan. Once they watched the presentation they filled out a Google Form with their feedback and had the opportunity to submit questions. Tammy Blakely and her administrative assistant, Amy Hee, have access to the feedback form and will be responding to the participants questions. 10 questions were submitted for response and all members submitted various forms of feedback for consideration. Tammy Blakely and Amy Hee will be looking further into the feedback and making needed adjustments.

Participants then viewed another video presentation by Erin Timberman around the Consolidated Application submission process. Once they watched the video they filled out another Google Form with their questions and acknowledgment of the submission. One question was submitted via the form and Lisa Mennes, Director of Language Development Programs, will be responding to that member. All participants acknowledged receiving the information and understanding the submission process. An overview of the estimated funds and proposed budget was also made available for participants to view.

The meeting link was closed on August 12th, 2020 at 11:59 pm.
